Sales Director
DP Medical Systems Limited
15a Oakcroft Road
Chessington
Surrey
KT9 1RH

Dear Nigel, **CHRIS**

Thank you for your support and hard work on the Cambridge Advanced Otology Course this year. The course has been a great success and that is only possible because of the industry support that we receive. The 5 extra stations with DP microscopes were fantastic. The scopes with moveable arm are so much better than bench top ones. The delegates all commented positively on the quality of the equipment and microscopes provided. The Lab is beginning to blossom and proving to be a facility that few other hospitals can match. We hope to see your microscopes in there permanently in the near future!

Thank you for the time and effort you have put into help make the course such a success. A copy of the delegate feedback is enclosed. We hope you will be willing to support us again next year.

Yours sincerely,

Patrick Axon
Consultant ENT Surgeon

Neil Donnelly
Consultant ENT Surgeon

Tom Wilson
Consultant ENT Surgeon
