

## D.P. MEDICAL

# MODERN SLAVERY STATEMENT

D.P. Medical Systems is a U.K based company which supplies quality equipment to the NHS, Private Medicine, SARC Centers, Dental Hospitals and Private Dentists. It also develops and sells the Mediscan application worldwide.

D.P. Medical has implemented a Quality and Environmental Management System (QEMS), which uses a framework based on ISO 9001:2015 and ISO 14001:2015 in order to better satisfy the needs and expectations of its customers, stakeholders and interested parties.

The QEMS is aligned with our business strategy and takes into consideration relevant internal and external factors. D.P. Medical Systems frequently evaluates pertinent information to determine the potential impact on business strategy. We have annexed a copy of our company organisational chart to this document.

D.P. Medical Ltd is keen to deliver on the Social responsibility of it's business, and to deliver business activities that are ethical, socially compliant and environmentally friendly.

We are fully committed to proactively assessing the potential risks to labour standards in the supply chain and our business functions, and to providing support to our suppliers to understand and implement good working conditions for the assurance of legal and respectful practices of labour standards. We align our standards to ETI principles.

1. Child Labour
2. Forced Labour
3. Working Wages
4. Working hours
5. Working conditions
6. No Discrimination
7. No harsh treatment at work
8. Freedom of association
9. Regular Employment
10. Employment is freely chosen

Our policy provides a framework for our delivery on ethical trade, improving working conditions and embedding a culture of respect for workers. We work in good relationship with our suppliers and engage them as a part of our policy to ensure safe working conditions, fairness and respect at work and workers and delivering on human rights at work.

We ensure commitment from our suppliers on the above standards.
