

XCAT[®]

The Surgeon's Truly Portable CT Scanner for the OR

Intraoperative mobile xCAT

BECAUSE FOR SUCCESSFUL SURGICAL INTERVENTIONS ...
IMAGE QUALITY MATTERS AND A FULL-BODY CT WON'T
FIT INTO YOUR OR

YOUR WINGMAN IN THE OR

xCAT

For those moments when having a clear picture would make a difference—xCAT is designed to meet the specific needs of surgical specialists who require high definition bone images.

WHEN THE STAKES ARE HIGH,
IT'S GREAT TO HAVE AN ALLY IN THE OR.
